

REMARKS

Claims 71-106 are currently pending, of which claims 71, 83, 84, 95, and 96 are in independent form.

No amendments have been made to the claims.

Claims 68-70 are cancelled by way of the present response without prejudice, waiver, limitation or estoppel.

Favorable consideration of the present application as currently constituted is respectfully requested.

Regarding the Election and Restriction

In the pending Office Action, the following restriction has been made with respect to the present patent application:

Restriction to one of the following inventions is required under 35 U.S.C. 121:

- I. Claims 68-70, drawn to a computer readable medium comprising code for pushing a data item to a mobile device based on a set of filtering rules configured by a user via a web page interface, classified in class 709, subclass 220.
- II. Claims 71-106, drawn to a system for redirecting data items, addressed to a first address and received at a messaging host, to a wireless network after packaging the data items in an envelope having a second address, classified in class 709, subclass 246.

PATENT APPLICATION
Attorney Docket No.: 1400-1072C4
Client No.: 10072-US-CNT4

In response, Applicant hereby elects without traverse the invention defined by Group II comprising claims 71-106 for examination.

Fee Statement

Compared to the highest number previously paid for, the total number of claims and the number of independent claims have not increased. No extension of time is being requested. Accordingly, it is believed that no fees are due for the filing of this response. If any additional fees are due or any overpayments have been made, however, please charge or credit our deposit account (Deposit Account No. 03-1130).
